Introducing the Vigilant Communities Award

We’re excited to announce the Vigilant Communities Award, which honors law enforcement agencies who have used LPR, facial recognition, and/or ballistics analysis/firearms mapping technology in an innovative way.

We are currently accepting nominations until September 7, 2018 at 11:59PM PST. Do you think you’re the agency we’re looking for? Or do you know an agency you’d like to nominate? We want to know! Winners will receive a $2,000 donation to their fallen officers fund.

NOMINATE NOW

BE SAFE. BE SMART. BE VIGILANT.
